## Welcome to Amerton Farm & Craft Centre

The Belfry Conference Room is an upstairs converted  
loft, which is tastefully decorated in a traditional style  
and can be used for conferences, courses, meetings,  
workshops, receptions etc.

The Amerton Farm diversification started in May  
1984 and provides a relaxing, friendly environment  
for everyone to enjoy. The farm is recognised as one  
of the first farm diversifications in the country and is  
often held high as an example to others.

Our licensed Tea Room prides itself in serving good  
quality, home-made fresh food using locally sourced  
produce. The Bakery boasts a full range of delicious  
cakes and savoury produce. The Farm Shop has a  
wide range of locally produced meat, cheeses, cream,  
eggs and Amerton Farm ice-cream.

We have a well-stocked Craft Centre and Cook Shop.  
Children can enjoy a visit to our Farmyard, Playbarn,  
Toy Shop and at weekends have a ride on the train.  
We are also home to the British Wildlife Rescue  
Centre which has a large selection of British wildlife  
which has been rescued.

For those who are interested in the arts we have a  
Jewellery Shop, Studio Potter and sell an extensive  
collection of pictures to suit every taste. A Glass  
Studio, where you can see glass ornaments being  
made and coloured glass windows being put together.

We have a Garden Centre for those who enjoy  
gardening as a hobby.

You can also stay on site in the Farmhouse for Bed  
& Breakfast and there is a Complementary Therapy  
at the farmhouse.

You are very welcome to come along at any time to  
see the Belfry Conference Room and also the  
facilities we have to offer at Amerton Farm & Craft  
Centre.

"..... Amerton Farm is a great place to have a
